

repeal of burdensome country of origin labeling requirements.

Mr. Speaker, I am grateful for Ambassador Doer's personal friendship to me and his relentless service to Canada and his friendship with the United States. I wish him well in his future endeavors.

As chair of the U.S.-Canada Inter-parliamentary Group, I look forward to working with Canada's incoming Ambassador, David MacNaughton, to further build on our Nation's great partnership.

NATIONAL CATHOLIC SCHOOLS WEEK

(Mr. LIPINSKI asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. LIPINSKI. Mr. Speaker, this is National Catholic Schools Week. I want to recognize the outstanding contributions that Catholic schools make to our Nation.

As a proud graduate of St. Symphorosa Grammar School and St. Ignatius College Prep, and as a strong supporter of Catholic education, I have introduced H. Res. 592 to honor Catholic Schools Week.

Since 1974, this week has celebrated the important role that Catholic education plays in America, especially the dedication of Catholic schools to academic excellence and service. This year's theme—Communities of Faith, Knowledge, and Service—highlights the values that are central to a Catholic education.

Earlier this week I visited St. Joseph's School in Lockport, which has the distinction of receiving three national awards in the past 6 years, including awards for Pastor Father Greg and Principal Lynne Scheffler. Later this week I look forward to visiting Bridgeport Catholic Academy and St. Barnabas School, both in Chicago.

I applaud the work of these and other Catholic schools across the country and all they contribute to our great Nation.

HONORING COACH GLENN ROBINSON

(Mr. PITTS asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. PITTS. Mr. Speaker, I rise today in honor of Coach Glenn Robinson of Franklin and Marshall College in Lancaster.

For 45 years, since he was only 25 years old, Coach Robinson has been leading the F&M Diplomats to victory. Coach Robinson is the winningest coach in the history of Division III basketball. He is now only the third college basketball coach ever to win 900 games, behind only legendary Bobby Knight of Indiana and Philadelphia's Bob Magee.

Four times he has broken his own school record for best record in the sea-

son, 12 times he has been named Region Coach of the Year by the National Association of Basketball Coaches, 12 times he has been Conference Coach of the Year, he has once been Division Coach of the Year, and he has won 93 postseason victories, 42 NCAA tournament victories, including 16 trips to the Sweet 16, 10 trips to the Elite 8, five trips to the Final 4, and one national championship appearance.

True leadership is servant leadership, the kind that finds people's strengths. Coach Robinson is an exemplary leader, and the proof of that is that he brings out the best in his players, 25 of whom have gone all-American.

Coach Robinson is one of the greatest coaches in college history, and Lancaster will always be rightly proud of him.

WE MUST FIX OUR BROKEN IMMIGRATION SYSTEM

(Mr. POLIS asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. POLIS. Mr. Speaker, with one item, the American people speak with a single voice. They want Congress to tackle our broken immigration system, secure our borders, and restore the rule of law. Yet here we are, more than halfway through the 114th Congress, and not a single immigration bill that fixes the problem has even been brought to the floor or committee or passed.

We hear Presidential candidates on both sides of the aisle tapping into the enormous public sentiment that says stop what you are doing and fix our broken immigration system. There are 11 million people or more in our country illegally. The rule of law has been made a mockery of, families are being torn apart by ICE and DHS at great cost to taxpayers. Let's fix our immigration system.

Comprehensive immigration reform will save over \$200 billion, create hundreds of thousands of jobs for Americans, secure our borders, and restore the rule of law.

What is not to like? Let's come together around finally fixing the problem rather than simply complaining about it.

HONORING DAVID LAWSON, ROCHESTER VOLUNTEER FIREFIGHTER

(Mrs. WALORSKI asked and was given permission to address the House for 1 minute and to revise and extend her remarks.)

Mrs. WALORSKI. Mr. Speaker, I rise today to recognize and pay tribute to a brave individual in my district. Rochester volunteer firefighter David Lawson was returning home from an early-morning medical call last month when he hit a deer. While the accident only caused minor damage to his vehicle, it delayed his trip home. While he

was driving, he saw smoke coming out of the vents of a nearby property.

He called 911. He headed to the house and began banging on the front door to wake up the residents. He woke up the adults. The adults grabbed the four kids, and they got out safely. We later found out the fire started in the attic, which is why it did not set off smoke detectors.

David Lawson's courage and resolve to protect the residents of northern Indiana is truly remarkable. On behalf of the people of Indiana's Second Congressional District, I want to personally thank David and every brave man and woman who represent Indiana's finest first responder community for their collective service and commitment to protecting all of our loved ones.

REMEMBERING THE LEGACY OF SACRIFICE AND SERVICE OF DAVID MAURITSON AND PHIL DRYDEN

(Mr. BYRNE asked and was given permission to address the House for 1 minute.)

Mr. BYRNE. Mr. Speaker, I rise today to remember two remarkable individuals who tragically died Monday evening in a plane crash in Mobile County, Alabama.

Major David Mauritson of Fairhope and Lieutenant Phil Dryden of Gulf Shores were members of the Civil Air Patrol, and they were returning from a compassion flight to Baton Rouge where they helped transport a fellow citizen for medical care when their plane went down.

David Mauritson had been a member of the Civil Air Patrol since 1991 and worked for years as a cardiologist and a lawyer. He had been flying all his life and was committed to helping others through charity medical flights.

Phil Dryden served our country in Vietnam as a combat medic. He had just joined the Civil Air Patrol last year and served as the Mobile squadron's assistant operations officer.

Mr. Speaker, one day our time on this Earth will draw to a close. When that day comes, we will be remembered not for what we had, we will be remembered for what we did.

David Mauritson and Phil Dryden left this world helping others. The legacy of service and sacrifice is how they will always be remembered.

On behalf of Alabama's First Congressional District, I offer my deepest condolences to their families. These great Americans will be sorely missed.

IRAN NUCLEAR DEAL

(Mr. LAMALFA asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. LAMALFA. Mr. Speaker, as part of the Iran nuclear deal, the Iranian regime will receive up to \$150 billion in sanctions relief. Secretary of State John Kerry has admitted that some of

the sanctions relief will go to the Iranian Revolutionary Guard Corps, which provides funding and training to terrorist groups like Hezbollah and Hamas. The Revolutionary Guard Corps is also responsible for supporting Shia militias that killed American troops and are currently fueling sectarian tensions in Iraq.

Like most of my colleagues in Congress, I opposed the Iranian deal and continue to believe it will not guarantee a nuclear weapons-free Iran.

But the simple fact that this deal has moved forward should not be an excuse for allowing sanctions relief to benefit terrorists.

Yesterday the House passed a commonsense bill that prohibits President Obama from removing sanctions on foreign financial institutions that are doing business with Iran's Revolutionary Guard Corps. I urge immediate adoption of this legislation.

We also need to deal with the victims of Iran's terrorism—Americans who were subject to terrorism by Iranian actions. Out of the \$150 billion, up to \$40 billion of awarded money should be received by these people because of this action.

The Obama administration has already made too many of these concessions. We can still prevent sanctions relief from ending up in the pockets of terrorists.

THE CORPUS CHRISTI CROSS

(Mr. FARENTHOLD asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. FARENTHOLD. Mr. Speaker, last weekend I attended the groundbreaking of the tallest cross in the Western Hemisphere and the second tallest cross in the world that is going to be built in Corpus Christi, Texas, my hometown, by the Abundant Life Fellowship under the leadership of Pastor Rick Milby.

Wrought of five-eighths inch cold-rolled steel, the Corpus Christi cross will be visible for miles along Interstate 37 and to flights coming into and departing from the Corpus Christi International Airport. Standing at 210 feet tall, and possibly taller, depending on fund-raising success, the Corpus Christi cross will be the largest cross on this side of the Atlantic Ocean.

Corpus Christi is the perfect setting for the tallest cross in the Western Hemisphere because Corpus Christi, translated from Latin, means "the body of Christ." The cross, a symbol of hope, will be located directly across Interstate 37 from the Coastal Bend State Veterans Cemetery. What better location is there for a reminder that Christ died for our sins than next to the resting place of those who fought for our freedom.

Good work, Pastor Milby, Abundant Life Fellowship, and everybody else in Corpus Christi supporting this project. God bless you all.

DEFENDING THE UNBORN

(Mr. GRAVES of Louisiana asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. GRAVES of Louisiana. Mr. Speaker, last month Washington, D.C. was home to the March for Life, and thousands of Americans came from all across the country to attend it. The State of Louisiana was disproportionately represented with hundreds of folks from our State, Louisiana being one of the most pro-life States in the Nation, one of the highest percentages of churchgoers, and one of the highest percentages of believers in America.

The term "sanctity of life" gets thrown around a lot when we start talking about pro-life versus pro-choice in political debate, but it is more than a slogan. Its relevance transcends the issue of life in our country.

Human dignity is the foundational principle of freedom and human flourishing. A substantive application of the sanctity of life should inform all our efforts in this Chamber, on both sides of the aisle.

I am pro-life because I believe that all human beings, at every stage of life, every state of consciousness or self-awareness are of equal and immeasurable worth and dignity.

I applaud and join the efforts of my colleagues to defend the unborn, those who can't defend themselves, but I also call upon both political parties to respect and value the dignity of human existence at all stages of life, from the womb all the way to life's natural conclusion. I believe we all have an obligation to the fundamental principle of human dignity.

As we consider important issues like criminal justice reform, the War on Poverty—policies designed to help people improve their quality of life—let us engage in political debates with this in mind.

DEMANDING ACTION TO CRACK DOWN ON VISA OVERSTAYS

(Mr. MARCHANT asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. MARCHANT. Mr. Speaker, according to a recent report by the Department of Homeland Security, nearly 500,000 foreign nationals overstayed their visa in fiscal year 2015. This is unacceptable and dangerous. These people are breaking the law, and they have violated the trust of the American people.

Visa overstay is an ongoing failure by this administration. Approximately 12 million illegal immigrants now live in our country. An estimated 40 percent can be attributed to visa overstay. Now there are a half million more.

ISIS is working tirelessly to exploit our national security weakness. Meanwhile, the administration is turning a

blind eye to the vast majority of visa overstay.

Half a million foreign nationals overstayed their visas last year, but less than 1 percent of that group is currently being investigated. I have written Secretary Johnson to demand that immediate action be taken to crack down on these visa overstay. This issue poses a clear risk to our safety and the safety of my constituents.

THANK YOU TO FAMILY FIRST CENTER

(Mr. DOLD asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. DOLD. Mr. Speaker, today I rise to recognize the Family First Center in Waukegan, Illinois, for their contributions to the Toys for Tots program.

The Toys for Tots program, as you know, was created by the U.S. Marine Corps. Each and every year, they collect toys to distribute to less fortunate children during the holidays.

The Family First Center of Lake County, under the direction of Dr. Evelyn Chenier, has been a huge partner with the Toys for Tots program. Just last year, they distributed nearly 75,000 toys to over 19,000 children in the Lake County community.

Toys for Tots is just one of the numerous programs with which the Family First Center is involved. For example, last summer, I hosted a job fair with the Family First Center that helped connect job seekers in Lake County with many of the businesses that call our community home.

The Family First Center's success is an inspirational example of a community organization putting families first and bringing about positive change in our community. I offer my sincere thanks to the Family First Center and Dr. Chenier for their leadership to strengthen our community.
